

# PERFORMANCE PLANS

## Welcome to **SLCare**

The day we complete your installation is the day we can start the next phase of our relationship. With an SLCare performance plan, you can be confident your technology solutions will perform properly today and for years to come. Our remote and on-site technical support options all feature optimal response times and a plan for every budget. We treat your home as a respite from the outside world. From system integrations, programming, software, networking, and connectivity; as well as diagnosing, troubleshooting, monitoring, and handling all necessary updates and maintenance. We schedule periodic health visits to clean, calibrate, update, and run performance checks on your system. Contact us for a Performance Plan assessment.

## FAQ

- Q: Why do I need a Performance Plan?  
A: We can do most maintenance, updates, system repairs remotely. We perform maintenance from our office without interrupting you for a home visit reducing time and expense for all.
- Q: Is my system reliable?  
A: More than ever. We rarely replace hardware. There are regular software updates on what we install, but also on your mobile devices, streaming platforms and internet services.
- Q: What if I'm not on a Plan?  
A: You can pay per incident by the hour, but won't receive priority scheduling, extended hours or other benefits.
- Q: What can we monitor and update remotely?  
A: Just about any device that's connected including all critical systems automation, and networking hardware.
- Q: Do I need to sign a contract?  
A: We offer annual agreements.
- Q: How are the plans paid?  
A: Our Performance Plans are paid monthly or yearly.
