

SECURITY SOLUTIONS

SHIELDING KIDS, SAFEGUARDING THEIR EDUCATION

WHO WE ARE

A LEGACY OF EXCELLENCE

SL Security Pros is a leading systems integrator and a single source provider for Access Control, Cameras, Burglar, Fire, Doors & Hardware, Intercom Systems, Data Infrastructure, and Automation. For more than 80 years, the company has been family-owned and operated, serving New York State. With a reputation of utmost integrity and professionalism, our team services Public Schools and universities, healthcare, government, transportation, and commercial facilities. We safeguard people, property, and assets. Our institutional, commercial and residential customers are confident we are ultimately in the business of ensuring people and everything they love is secure. We are honored to work closely with school officials in creating scalable security solutions for their districts. Our carefully customized installations shield students, staff, and visitors. Vast experience and partnerships with the most technologically advanced equipment manufacturers allow us to provide exceptional quality and service. We are dedicated to customer service and are masters at mitigating risk and problem-solving complex challenges. As technology advances at warp speed, *SL Security Pros* stays on the pulse of innovation through continuous research, testing, and training. Our solid, longstanding reputation is testimony to our company's core values.
